The question to be submitted to the voters in the affected part of the local government area for a de-amalgamation poll is as follows—

(a) for the Douglas area de-amalgamation poll—“Should a Douglas Shire Council be created by the de-amalgamation of the Cairns Regional Council local government area, with the costs to be met by the Douglas Shire Council?”;

(b) for the Livingstone area de-amalgamation poll—“Should a Livingstone Shire Council be created by the de-amalgamation of the Rockhampton Regional

6 Date of de-amalgamation polls  
(1) Each de-amalgamation poll must be held on 9 March 2013.  
(2) However, the electoral commission may, by gazette notice, fix a later day as the polling day for a de-amalgamation poll if the day is likely to be affected by an emergency.  
(3) If the electoral commissioner fixes a later day for a de-amalgamation poll under subsection (2), the returning officer for the poll—  
(a) may give any necessary directions to the voters about the procedures to be followed; and  
(b) must publish a notice detailing the directions in a newspaper circulating generally in the affected part of the local government area.

7 Public notice of de-amalgamation polls  
(1) The electoral commission must give the public notice that each de-amalgamation poll will be conducted.  
(2) The notice for each de-amalgamation poll must—  
(a) state—  
(i) the polling day for the poll; and
(ii) the question to be submitted to the voters in the poll; and

(iii) the affected part of the local government area for the poll and that voting at the poll is compulsory for the voters in that area; and

(iv) the location of all ordinary polling booths to be used for taking the ballot in the poll; and

(v) that the ordinary voting hours are from 8a.m. to 6p.m; and

(b) be displayed in a conspicuous position at the office of the returning officer for the poll; and

(c) be published in a newspaper circulating generally in the affected part of the local government area.

(3) Display of a notice under subsection (2)(b) must—

(b) continue until the close of voting for the de-amalgamation poll.

Part 3 Voters rolls

8 Returning officer must compile voters roll

(1) The returning officer for a de-amalgamation poll must compile a roll of persons entitled to vote at the poll (a voters roll) as at 8 February 2013 (the cut-off day).

(2) The voters roll for a de-amalgamation poll must consist of the persons enrolled on an electoral roll for the affected part of the local government area for the poll.
9 Requirements of voters roll
(1) A voters roll for a de-amalgamation poll must—
   (a) show the names of all persons entitled to vote at the poll; and
   (b) be in the form of the electoral roll used for elections of the Legislative Assembly.
(2) The returning officer must not include in a voters roll a voter’s address that, under the Electoral Act 1992, is excluded from the publicly available part of an electoral roll.

10 Inspection of voters roll
(1) The electoral commission must ensure the most recent version of the voters roll for each de-amalgamation poll is available for inspection by members of the public at the commission’s public office for the period—
   (a) starting as soon as practicable after the cut-off day for the poll; and
   (b) continuing until the result of the poll is declared.
(2) The electoral commission may also make available, for inspection by any person, a copy of the most recent version of a voters roll at any place that the commission considers appropriate during the period mentioned in subsection (1).
Part 4 Arrangements for de-amalgamation polls

Division 1 De-amalgamation polls by ballot

11 De-amalgamation poll by ballot
A de-amalgamation poll must be conducted by ballot taken under this part.

Division 2 Polling booths

12 Kinds of polling booths
(1) There are 3 kinds of polling booths—
   (a) ordinary polling booths; and
   (b) mobile polling booths; and
   (c) early polling booths.
(2) An ordinary polling booth is a building or other structure, or a part of a building or other structure, that a returning officer arranges to be available on polling day for a de-amalgamation poll to enable voters in general to vote.
(3) A mobile polling booth is—
   (a) all or part of an institution made available as a mobile polling booth under section 15(2); or
   (b) all or part of a place made available as a mobile polling booth under section 15(4).
(4) An early polling booth means a place arranged under section 16 as a polling booth for voters to cast a pre-poll vote.

13 Polling booths—general
(1) The returning officer for a de-amalgamation poll—
(a) may arrange for a polling booth within the affected part of the local government area to be used for the poll; and

(b) may arrange for 2 or more polling booths at a place within the affected part of the local government area if the number of voters likely to vote at the place is greater than could conveniently vote in 1 booth at the place; and

(c) must ensure that each polling booth is provided with enough ballot boxes, ballot papers and materials to enable voters to mark the ballot papers.

(2) A place on or from which liquor may lawfully be sold can not be used as a polling booth.

(3) However, a civic or cultural centre, community hall or similar place under a local government’s control, may be used as a polling booth if—

(a) the floor area for taking the ballot is designated in the polling notice; and

(b) the local government ensures that no liquor will be sold or supplied in that area during the taking of the ballot.

14 Provision of ordinary polling booths

(1) For taking a ballot in a de-amalgamation poll, the returning officer must arrange for places, or parts of places, within the affected part of the local government area to be used on polling day as ordinary polling booths to enable voters in general to vote.

(2) The returning officer may, only if it is necessary because of circumstances beyond the returning officer’s control—

(a) arrange for an ordinary polling booth to be used less than 3 days before polling day; or

(b) cancel arrangements for the use of an ordinary polling booth less than 6 days before polling day.

(3) If, after publication of the polling notice, the returning officer arranges for the use of an ordinary polling booth, the officer must also publish notice—
Local Government (De-amalgamation Polls) Regulation 2013
Part 4 Arrangements for de-amalgamation polls

[15]

(a) of the location of the booth; and

(b) that the ordinary voting hours of the booth are from 8a.m. to 6p.m.

(4) If the returning officer cancels arrangements for the use of an ordinary polling booth, the officer must also publish notice of the cancellation.

(5) The notice under subsection (3) or (4) is to be given in the way the returning officer considers is the best way to inform voters generally.

15 Declaration of mobile polling booths

(1) Subsection (2) applies if the returning officer is satisfied the voters resident in an institution located in the affected part of the local government area for a de-amalgamation poll should be able to vote in the poll at the institution.

(2) The returning officer may arrange for all or a part of the institution to be available as a mobile polling booth to enable voters resident in the institution to vote there in the poll.

(3) Subsection (4) applies if the returning officer is satisfied a part of the affected part of the local government area does not have enough voters to justify the use of an ordinary polling booth.

(4) The returning officer may arrange for any place in the part of the affected part of the local government area to be available as a mobile polling booth to enable voters in the part to vote in the de-amalgamation poll.

(5) If the returning officer acts under subsection (2) or (4), the officer must—

(a) fix the times, during the period starting 11 days before the polling day and ending at 6p.m. on the polling day, when the mobile polling booth may be used for voting; and

(b) publish a notice, in the approved form, in a newspaper circulating generally in the affected part of the local government area—
(i) declaring the place as a mobile polling booth for the de-amalgamation poll; and

(ii) stating the times at which votes may be cast at the booth.

(6) On the declaration of a mobile polling booth, the voters resident in the institution or the voters resident in the part of the affected part of the local government area in which the mobile polling booth is situated, may vote at the booth during the times fixed for the booth under subsection (5).

16 Declaration of early polling booths

(1) The returning officer must arrange at least 1 place, within the affected area of the local government and that the electoral commissioner considers appropriate, as a polling booth for a de-amalgamation poll to enable voters to cast a pre-poll vote.

(2) Also, the returning officer must—

(a) fix the times, during the period starting 14 days before the polling day and ending at 6p.m. on the day immediately before polling day, when the polling booth may be used for voting; and

(b) publish a notice, in the approved form, in a newspaper circulating generally in the affected part of the local government area—

(i) declaring the place as a polling booth for the de-amalgamation poll to enable voters to cast a pre-poll vote; and

(ii) stating the times at which votes may be cast at the booth.

17 Duty of person in charge of institution

(1) This section applies if the returning officer declares all or part of an institution as a mobile polling booth for a de-amalgamation poll.
(2) The person in charge of the institution must allow voters resident in the institution and issuing officers to have access to the booth whenever votes may be cast at the booth.

18 Privacy for voters casting votes at polling booths

The returning officer must ensure that each polling booth for a de-amalgamation poll is provided with enough voting compartments, or other suitable facilities, to allow the casting of votes in private.

19 Adjournment of de-amalgamation poll

(1) A returning officer may adjourn the conduct of a de-amalgamation poll at a polling booth if the taking of the poll is, or is likely to be, interrupted by an emergency.

(2) The presiding officer for a polling booth may adjourn the conduct of a de-amalgamation poll at the polling booth if the taking of the poll is, or is likely to be, interrupted by an emergency.

(3) If the conduct of a de-amalgamation poll is adjourned under subsection (1) or (2), the returning officer must fix a day (no later than 34 days after the day on which the poll is adjourned) for conducting the adjourned poll.

(4) The returning officer must publish notice of the day fixed in a newspaper circulating generally in the affected part of the local government area.

Division 3 Ballot boxes, ballot papers and other documents

20 Ballot boxes generally

(1) A ballot box used in a de-amalgamation poll must—
(a) have an opening of a size adequate to allow folded ballot papers and declaration envelopes to be put in the box; and

(b) be under the scrutiny and effective control of an issuing officer.

(2) Issuing officers and observers for the de-amalgamation poll may inspect a ballot box before the box is locked or sealed for receipt of ballot papers.

21 Requirements of ballot papers

A ballot paper must—

(a) be in the approved form; and

(b) show the question for the de-amalgamation poll; and

(c) be of material that, when folded, effectively conceals the vote recorded on the ballot paper; and

(d) be attached to a butt that—

(i) is not part of the ballot paper; and

(ii) is perforated to allow the ballot paper to be easily detached from the butt; and

(iii) is numbered in regular arithmetical sequence, starting with the numeral 1 and proceeding by intervals of one whole numeral, so that each butt for the affected area of the local government area for which the de-amalgamation poll is conducted has a unique number.

22 Distribution of ballot papers

(1) The returning officer must ensure an adequate number of ballot papers is available at all polling booths for a de-amalgamation poll.

(2) The returning officer must prepare a delivery note in triplicate for each parcel of ballot papers supplied by the returning officer to presiding officers at polling booths.
(3) The delivery note must—
   (a) be in the approved form; and
   (b) show details of the number of ballot papers supplied; and
   (c) show the range of numbers of the ballot papers; and
   (d) include a form of acknowledgement of receipt of the ballot papers.

(4) Two copies of the delivery note must be included in the parcel of ballot papers.

(5) As soon as practicable after a presiding officer receives a parcel of ballot papers, the officer must—
   (a) check the contents against the details shown in the delivery note; and
   (b) complete the particulars prescribed by the delivery note; and
   (c) sign the form of acknowledgement included in the delivery note.

(6) If there is a discrepancy between the details shown in the delivery note and the contents of the parcel, the presiding officer must cause a countercheck to be made by—
   (a) if an issuing officer is available—the issuing officer; or
   (b) if an issuing officer is not available—a responsible person.

(7) A discrepancy confirmed by a countercheck must be noted in the form of acknowledgement and the form must be signed by the presiding officer and the person who made the countercheck.

(8) The presiding officer must return 1 copy of the delivery note to the returning officer and retain the other copy of the delivery note until it is given to the returning officer with the sealed parcels of ballot papers under section 46.
Division 4 Observers

23 Expressions of interest to be observers

(1) The returning officer for a de-amalgamation poll may, by notice in the approved form, call for expressions of interest from persons who wish to be appointed as observers for the poll.

(2) The notice must—
   (a) state the day by which an expression of interest must be received by the returning officer (the closing day); and
   (b) be displayed in a conspicuous position at the office of the returning officer; and
   (c) be published in a newspaper circulating generally in the affected part of the local government area.

(3) A person may make an expression of interest in being appointed as an observer for the de-amalgamation poll by giving the returning officer a notice in the approved form by the closing day stated in the notice.

24 Appointment of observers

(1) The returning officer for a de-amalgamation poll may, in the approved form, appoint a person as an observer for the poll.

(2) A person may be appointed as an observer for a de-amalgamation poll if the person—
   (a) is an adult; and
   (b) made an expression of interest under section 23(3).

(3) The returning officer must appoint the number of observers for a de-amalgamation poll decided by the electoral commissioner.

25 Proof of identification

An observer must—
(a) carry evidence of identification and of the person’s appointment as an observer; and

(b) on demand, produce the evidence to an issuing officer.

26 Powers of observers

(1) An observer for a de-amalgamation poll is entitled to be present—

(a) in a polling booth to inspect ballot boxes at the booth before the boxes are locked or sealed for the receipt of ballot papers; and

(b) in a polling booth or other place to watch the examination of declaration envelopes and counting of votes.

(2) An observer for a de-amalgamation poll may—

(a) object to an issuing officer’s decision on a person’s entitlement to vote at the poll; and

(b) object to the acceptance or rejection of a ballot paper by the returning officer or a presiding officer.

Division 5 Errors, omissions or delays

27 Correction of errors, omissions or delays

(1) This section applies if—
   (a) in a de-amalgamation poll, a person casts a vote in the poll and completes a declaration envelope for the vote; and
   (b) the person’s ballot paper is not accepted for counting under section 45 because the returning officer is not satisfied that the declarant on the declaration envelope is entitled to cast a vote in the poll.

(2) As soon as practicable after the de-amalgamation poll, the electoral commission must send a notice in the approved form
to the person advising the person why the ballot paper was not accepted for counting.

55 Notice to electoral commission of error in electoral roll

As soon as practicable after a de-amalgamation poll, the returning officer must give to the electoral commission notice of the names and addresses of all persons permitted to vote at the poll whose names are not on the voters roll, apparently because of official error, if the error relates to the keeping of an electoral roll under the *Electoral Act 1992*.

Part 7 Administration

56 Returning officers

(1) The returning officer is responsible for the proper conduct of a de-amalgamation poll.

(2) The electoral commission may appoint a person as the returning officer for a de-amalgamation poll unless the person is—

   (a) a minor; or
   
   (b) a member of a political party; or
   
   (c) the chief executive officer or an employee of the relevant local government.

(3) A returning officer must comply with a direction given by the electoral commission if it would be consistent with this regulation to do so.

57 Presiding officers

(1) A presiding officer at a polling booth is responsible for the proper conduct of voting at the polling booth and for carrying
out the other duties for a de-amalgamation poll that are required by the returning officer.

(2) The returning officer—
(a) may be the presiding officer at a polling booth; and
(b) must appoint an adult as presiding officer at each polling booth other than the booth at which the returning officer is the presiding officer.

(3) If a person can not act as presiding officer at a polling booth, the returning officer, or someone else with the returning officer’s approval, may appoint an adult as presiding officer at the booth while the person can not act.

(4) An appointment under subsection (2) or (3) must be in the approved form.

2 Under section 32, declaration envelopes are to be posted or given to the returning officer. For a de-amalgamation poll, the returning officer could authorise an issuing officer to receive declaration envelopes, to remove the declaration envelopes containing the ballot papers from the return address envelopes and place the declaration envelopes in a ballot box.

Part 8 Legal provisions

62 Postal vote presumed valid until contrary proved

If a declaration envelope and ballot paper to which section 32 applies is received by a returning officer by post, it must be presumed that section 32(3) to (5) has been complied with in relation to the declaration on the envelope until the contrary is proved.
63 **Ballot papers as evidence**

In a proceeding, a ballot paper apparently used at a de-amalgamation poll and identified by evidence as 1 of the ballot papers held by the electoral commission under section 53(2) is evidence of the vote cast in the poll as recorded on the ballot paper.

64 **Allegations of false or misleading information or document**
